Choose our flexible Rental Program

Our rent-to-own program offers you a great opportunity to own your instrument. With **100% OF YOUR RENTAL PAYMENTS APPLIED TOWARDS OWNING YOUR INSTRUMENT** at the rent-to-own price*, you can invest in your musical journey. There's no obligation to own your instrument, however we believe it's better to invest in one instead of just paying rent. You can buy out your instrument anytime and receive a 25% discount off the balance: Rent to own price less rent paid less 25%.

Do you need to exchange your musical instrument but worried about losing your rental credit? Our program ensures that payments will follow you seamlessly, and your rental credit will transfer over (some conditions apply).
